Student Subsequent Entrant Visa Application Checklist
Subclass 500

IMPORTANT:

- All Student Subsequent Entrant (Subclass 500) visa applications **must** be lodged online.
- Please lodge your visa application at least two (2) months prior to your intended travel to Australia. It is important that you lodge a complete application with all requested documents, or your application could be refused or a decision on your visa could be delayed.
- All non-English documents uploaded with your application must have a certified English translation, unless otherwise stated. Please scan and upload original documents **in full colour**.
- If you are lodging visa applications in Vietnam, regardless of nationality, you will be required to provide your personal identifiers (biometrics). In Vietnam, the collection of biometrics is conducted at the Australian Visa Application Centres in Ho Chi Minh City, Da Nang or Hanoi. For further information on biometrics, please see this [link](#).
- Please complete your health examination **before** you lodge this visa application. This will ensure that your visa application is processed without delay. See below for further information.

AUSTRALIAN HEALTH REQUIREMENT
